

# Damien Rice, My City Shitty

The drugs are free

Branch me out  
Gonna kill my city  
Gonna kill my city  
Gonna kill me

Still my stop  
Gonna stick your city  
Gonna stick your city  
Gonna stick me

Be my doll  
With the girls so pretty  
With the girls so pretty  
I just can't

This is my stop  
Where the air is shitty  
Where the air is shitty  
And the drugs are free

The drugs are free
