

# Damita, No Looking Back

Hmmmm, ohhh, ohhh  
I am leaving this place now  
letting go of all my fears,  
saying goodbye to the memories I hold dear

I can finally breath again  
its a new day, farewell past  
as I close this chapter I set free at last,  
And I say,  
I made up my mind there's no turning back  
the past is behind me theres no turning back  
I'm looking forward not behind  
I've made the decision I give you my life.
