

Damita, No Looking Back

Hmmmm, ohhh, ohhh
I am leaving this place now
letting go of all my fears,
saying goodbye to the memories I hold dear

I can finally breath again
its a new day, farewell past
as I close this chapter I set free at last,
And I say,
I made up my mind there's no turning back
the past is behind me theres no turning back
I'm looking forward not behind
I've made the decision I give you my life.
