

Damnation, Repossession

6 years to get out of the can
Now I'm worth over 66 grand annually,
For me and my highly prized profession
F**ked up fun
Any given night
Your negligence to pay
Jump into your turbo coupe & just drive away
Well, I'm your repossession demon
Repossession man!
(Repo)
I'm your repossession man
I can take any ride and I don't need a key
