

Damned, Dozen Girls

Won't you tell me the reason why
He goes out almost every night?
He never goes too far he's always
The one who's got it right

He's got charm
He's got style
He's got a dozen girls
Tell me why
I don't know why
He's got a dozen girls

Now he's always the one with all the hooks
When it comes to making it with you
Now I would be there in his place if only
I knew what it is I had to do

He's got charm
He's got style
He's got a dozen girls
Tell me why
I don't know why
He's got a dozen girls
He's got charm
He's got style
He's got a dozen girls
Tell me why
I don't know why
He's got a dozen girls

He's alright and he dont care
He's got thermal underwear
