

Damned, Fun Factory

Won't you take me on a video nightmare yeah
The pictures they will play
Hey hey hey
It's Ok
We can play
Fun factory

'Cause I have been to hell and I've been back
All in the period of one day
Hey hey hey
It's Ok
We can play
Fun factory

I kneel before the one-eyed monster
That keeps us both alive
It's so fine it's sublime
Just take me to the fun factory
(Fun factory)
Life is here and all that conjours
Just grin and turn the dial
Well it's me it's obscene
The screen lets on the fun factory

So let me take you to a place that knows me yeah
A place I'm sure you've seen
Hey hey hey
It's Ok
We can play
Fun factory

The talk is cheap you know the guns are roaring out
I'm snoring no not asleep
Hey hey hey
It's Ok
We can play
Fun factory

I kneel before the one-eyed monster
That keeps us both alive
It's so fine it's sublime
Just take me to the fun factory
(Fun factory)
Life is here and all that conjours
Just grin and turn the dial
Well it's me it's obscene
The screen lets on the fun factory

I'm losing my mind
It's wonder in my eyes
They're wasting my time
Endure the way
Take it away

I kneel before the one-eyed monster
That keeps us both alive
It's so fine it's sublime
Just take me to the fun factory
(Fun factory)
Life is here and all that conjours
Just grin and turn the dial
Well it's me it's obscene
The screen lets on the fun factory

I'm waiting to go to the dentist
