

# Damned, Grimly Fiendish

Grimly fiendish  
Plays the game that never pays  
Sing out loud but never prayed

Grimly fiendish  
Wears a coat that's black and long  
He doesn't know that it's all wrong

Simply fiendish  
A child caught in a grown up world  
No lies convince the court  
Once a week I could be  
Found on the faces all the frowns  
Hide and seek tried so hard  
To justify that crime could pay  
Just for today

Bad lad bad boy  
Bad lad bad boy  
Bad lad bad boy  
Bad lad bad boy  
Bad lad bad boy  
Bad lad bad boy  
Bad lad bad boy  
Bad lad bad boy

Let me get the story straight  
You never gave me a break  
It's a case of give and take  
You didn't make me good you just painted me green  
You made me part of your forgotten dream

Grimly fiendish  
We'll send you just where you belong  
Where the children can't be found

Bad lad bad boy  
Bad lad bad boy  
Bad lad bad boy  
Bad lad bad boy  
Bad lad bad boy  
Bad lad bad boy  
Bad lad bad boy  
Bad lad bad boy

Hide and seek tried so hard  
To justify that crime could pay  
Just for today

Bad bad bad boy  
Bad bad bad boy
