

# Damned, Noise Noise Noise

It's 7am on a brand new day  
I'm gonna start it in the perfect way  
Put the greatest record on

I kick the dog and kick the cat  
Insult my mum insult my dad  
Scream out loud and sing along

We say noise is for heroes (heroes)  
Leave the music for zeroes (zeroes)  
Noise Noise Noise is for heroes (heroes)  
Oh yeah

I'm down the pub the time is one  
Hit the jukebox for my favourite song  
Gonna turn it up too loud

Have a couple of games of pool  
Argue with a drunken fool  
Have a beer with the usual crowd

We say noise is for heroes (heroes)  
Leave the music for zeroes (zeroes)  
Noise Noise Noise is for heroes (heroes)  
Oh yeah

Its noise that makes the world go round  
I can't survive without that sound  
The sound torments me

Its 8 o'clock down the church hall  
Enourmous amplifiers 6 feet tall  
Gonna turn them up full blast  
The vicar waves his arms and looks absurd  
The noise drowns out his godly words  
And he can't get out too fast

We say noise is for heroes (heroes)  
Leave the music for zeroes (zeroes)  
Noise Noise Noise is for heroes (heroes)  
Oh yeah
