

# Damned, Suicide

There's too much confusion for a young man to take  
Look at my eyes that ain't easy to fake  
I've got no spirit left to break  
I'll slash my wrists ain't no mistake

Help me  
Oh help me  
Help me  
Oh help me

Suicide suicide it's happening again  
Suicide suicide I'm losing my brain  
Suicide suicide what can I do  
I'm gonna kill myself because of you

I've lost track of logical thinking  
I'm sitting in a room not even blinking  
Into the darkness I am sinking  
About to hear the angels singing

Help me  
Oh help me  
Help me  
Oh help me

Suicide suicide it's happening again  
Suicide suicide I'm losing my brain  
Suicide suicide what can I do  
I'm gonna kill myself because of you

My mind's going round faster and faster  
The scripts been read and there's no disaster  
I was in with a chance but I'm a bastard  
I'm lying awake in a hospital plaster

Help me  
Oh help me  
Help me  
Oh help me

Suicide suicide it's happening again  
Suicide suicide I'm losing my brain  
Suicide suicide what can I do  
I'm gonna kill myself because of you
