

# Damned, The Dog

She wanders alone through the night  
A child with eyes burning bright  
She extends her arms for an embrace a tiny smile  
Her ruby lips on her doll- like face

The danger's a mystery here  
As she invites you to hold her near  
Her mirrored image could not be linked to  
A woman's mind so sharp and so distinct

Like a swimmer in a secret sea  
Undecayed for all eternity  
Claudia  
Better stay away from Claudia

The silkiness of her lips  
As she bends low to kiss  
A tiny seductress in ringlets and pearls you reel  
In madness as the whole world about you whirls

Like the tinkle of a small silver bell  
Her voice will put you under her spell  
A crushed cysanthemum in her hand a beautiful doll of death  
She'll take your dying breath

Like a swimmer in a secret sea  
Undecayed for all eternity  
Claudia  
Better stay away from Claudia  
Like a swimmer in a secret sea  
Undecayed for all eternity  
Claudia  
Better stay away from Claudia
