

# Damone, Frustrated Unnoticed

I'm rockin a bmx bike  
I'm rockin a muscle head car  
I freestyle where ever I go woah-oh  
I don't cry whenever I fall

And I can run as fast as anyone I know  
My heart is strong, I'll be the one who takes control  
But it's no woah-woh woah-woh woah-woh  
And it's no woah-woh woah-woh woah-woh

I'm working at really cool jobs  
I'm paving then I wash cars  
I'm cleaning, I keep my hair long  
So I play you a rock'n'roll song

And I can run as fast as anyone I know  
My heart is strong, I'll be the one who takes control  
But it's no woah-woh woah-woh woah-woh  
And it's no woah-woh woah-woh woah-woh

And I can run as fast as anyone I know  
I'm not the one he seems to want, so I am alone  
But it's no woah-woh woah-woh woah-woh  
And it's no woah-woh woah-woh woah-woh  
And it's no woah-woh woah-woh woah-woh  
And it's no woah-woh woah-woh woah-woh  
And it's no woah-woh woah-woh woah-woh
