

Damone, You And I

you and I were cool
but everyone that you pursued
could see that I was dumb
and you would do me wrong

I was real depressed
and only you and you addressed
and now the truth is I confess that I was wrong
I was wrong, I was wrong

You pretend that you were caring
I believe that you were best
I was so misunderstanding
and now it's all for me to get... yeah

now that I'm abused by everybody you abuse
and everyone can see I'm dumb and I'm alone
I would do the worst to anybody but the first
so I will be the one who holds it in too long
way too long, way too long

you pretend that you were caring
I believe that you were best
I was so misunderstanding and now it's all for me to get (x2)

you pretend that you were caring
I believe that you were best
I was so misunderstanding and now it's all for me to get (x2)
