

# Dan Auerbach, Keep It Hid

Lock the door and close the blinds  
They're comin' for me, girl, and I ain't got time  
If they ask you, darlin', oh, about what I did  
Baby, you've gotta keep it hid  
Keep it hid, yeah

I'm headin' south and I can't say where  
But I'll phone you, baby, soon as I get there  
They're not gonna, not gonna, not gonna seal my coffin lid  
'Cause you're gonna keep it hid  
Yeah, keep it hid

Well, Big Sue knew what, but she don't no more  
If you know what I mean, yeah  
They'll never find what they're looking for  
'Cause you're my tight-lipped queen, yeah  
Oh yeah

I'll buy you a dress, a nice hand-made piece  
And sent your ma on a vacation to Greece  
If you're an auction, oh, I'm the highest bid  
Yeah, baby 'cause you gonna keep it hid  
Yeah, keep it hid
