Dan Auerbach, My Last Mistake

Tell me now, tell me true Of all the things I did to you Was this the one that made you break? Did I make my last mistake?

Only you can play the game Rope-a-dope and lay the blame Can't you see my body shake 'Cause I made my last mistake?

I was out-of-line before But this is so much more I know, I know

I don't want to be the king Of every single living thing, just you And you can be my queen mama, oh yeah, yeah

Separate towns, separate hearts Distant love from distant parts Every man plays the snake Bound to make his last mistake

Oh yeah My my my my my Oh

My last mistake Last mistake Oh, my last mistake My last mistake
