

Dan Deacon, Snake Mistakes

I make these snake mistakes
I make these phoney ropes
I make these snake mistakes
I know i know i know i know
Why won't these bees leave me alone
These bees get me and I say Ow
Why won't these bees leave me alone
I hate them bees

My dad is so cool
he is the coolest dad in dad school
he does not break any dad rules
he would pick you up if i asked him to
