

# Dan Fogelberg, Full Circle

(Gene Clark)

Funny how the circle turns around  
First you're up and then you're down again  
Though the circle takes what it may give  
Each time around it makes it live again  
Funny how the circle is a wheel  
And it can steal someone who is a friend  
Funny how the circle takes you flying  
And if it's right it brings it back again  
Funny how the circle turns around  
First you're lost and then you're found again  
Though you always look for what you know  
Each time around it makes it new again  
Funny how the circle is a wheel  
And it can steal someone who is a friend  
Funny how the circle takes you flying  
And if it's right it brings it back again  
Funny how the circle is a wheel  
And it can steal someone who is a friend  
Funny how the circle takes you flying  
And if it's right it brings it back again
