Dan Fogelberg, Full Circle

(Gene Clark)

Funny how the circle turns around First you're up and then you're down again Though the circle takes what it may give Each time around it makes it live again Funny how the circle is a wheel And it can steal someone who is a friend Funny how the circle takes you flying And if it's right it brings it back again Funny how the circle turns around First you're lost and then you're found again Though you always look for what you know Each time around it makes it new again Funny how the circle is a wheel And it can steal someone who is a friend Funny how the circle takes you flying And if it's right it brings it back again Funny how the circle is a wheel And it can steal someone who is a friend Funny how the circle takes you flying And if it's right it brings it back again
