

# Dan Hill, Can't We Try

I see your face cloud over like a little girl  
And your eyes have lost their shine  
You whisper something softly  
I'm not meant to hear  
Baby tell me what's on your mind  
I don't care what people say  
About the two of us from different worlds  
I love you so much that it hurts inside  
Are you listening  
Please listen to me girl

Can't we try just a little bit harder  
Can't we give just a little bit more  
Can't we try to understand  
That it's love we're fighting for  
Can't we try just a little more passion  
Can't we try just a little less pride  
I love you so much baby  
That it tears me up inside

I hear you on the telephone  
With god knows who  
Spilling out your heart for free  
Everyone needs someone they can talk to  
Girls that someone should be me

So many times I've tried to tell you  
You just turn away  
My life is changing so fast now  
Leaves me lonely and afraid  
Don't be afraid, no

Can't we try just a little bit harder  
Can't we give just a little bit more  
Can't we try to understand  
That it's love we're fighting for  
Can't we try just a little more passion  
Can't we try just a little less pride

I love you so much baby  
That it tears me up inside  
Don't let our love fade away  
No matter what people say  
I need you more and more each day

Can't we try just a little bit harder  
Can't we give just a little bit more  
Can't we try just a little bit harder  
Can't we give just a little bit more  
Can't we try just a little more passion  
Can't we try just a little less pride  
Love you so much baby  
Tears me up inside
