

Dan Hill, Never Thought

Can I touch you?
I can't believe that you are real,
How did I ever find you?
You are the dream that saved my life,
You are the reason, I survived

Baby...I never thought that I could love someone as much as I love you,
I know it's crazy, but it's true.
I never thought that I could need someone as much as I need you,
I love you.

Can I hold you?
Girl, your smile lights up the sky
You are too beautiful for the human eye
You are the dream that never dies
You are the fire that burns inside

Baby...I never thought that I could love someone as much as I love you,
I know it's crazy, but it's true.
I never thought that I could need someone as much as I need you,
I love you.

You are the sunshine in the sky
You are the sparkle in my eyes
I never thought that I could love someone as much as I love you,
I know it's crazy, but it's true
You know, it's true
I never thought that I could need someone as much as I need you,
I love you!
