Dan Hill, We Try

I see your face cloud over like a little girl's And your eyes have lost their shine You whisper something softly I'm not meant to hear Baby tell me what's on your mind

I don't care what people say About the two of us from different worlds I love you so much that it hurts inside

Are you listening Please listen to me girl

CHORUS

Can't we try just a little bit harder Can't we give just a little bit more Can't we try to understand That it's love we're fighting for

Can't we try just a little more passion Can't we try just a little less pride I love you so much baby That it tears me up inside

I hear you on the telephone with god-knows-who Spilling out your heart for free Everyone needs someone they can talk to Girl that someone should be me

So many times I tried to tell you You just turned away

How did I know

My life is changing so fast now Leaves me lonely and afraid

Don't be afraid no

REPEAT CHORUS

Don't let our love fade away (x2)
No matter what people say
No matter no matter what they say
I need you more and more each day
Don't let our love fade away
No matter what people say
No matter no matter what they say

REPEAT CHORUS
