## Dan Le Sac Vs Scroobius Pip, Angles

Things in life arent always quite what they seem, theres more than one given angle to any one given scene. So bare that in mind next time you try to intervene on any one given angle to any one given scene.

My names Mark, I go to Uni and College, dont socialise that much, I just revise and build knowledge. At times I find that I become a virtual recluse and let my belt of interruption hang decisively loose. But I came here to learn, thats the life that I choose and if people think Im boring then they can bring their abuse.

See, a lot of people think Im boring and say that maybe Im a weirdo and maybe Im gay but thats co cause when I get a good job and good pay III get a house for just my brother and me some day.

Thats the reason Im here, just to build for my future.

If it means better grades III even sleep with my tutor.

Things in life arent always quite what they seem, theres more than one given angle to any one given scene.

So bare that in mind next time you try to intervene on any one given angle to any one given scene.

My names Paul, Ive been a guard for six months and the shop that I guard is better than most dum

Things in life arent always quite what they seem, theres more than one given angle to any one give

My names Keith, I aint so much a racist. But if one reached out their hand I'd decline their embrace

Things in life arent always quite what they seem, theres more than one given angle to any one give

My names Billy. Ive been beaten since I was three, Mum died when I was born and Dad takes it ou

Things in life arent always quite what they seem, theres more than one given angle to any one give

My names Mark and today I was told my brother is dead. I returned home from university, tears on
