

Dan McCafferty, Watcha Gonna Do About It

Our love ya, is slowly going on the rocks now
Ya, ya, ya, ya
Tell me, tell me baby, watcha going to do about it

Our love ya, ya, ya isn't up for jeopardy
Ya, ya, ya, ya
Show me, show me sugarpie, watcha gonna do about it

chorus:

You know I've tried
To keep you satisfied
But you just don't comprehend
And if you keep on doin', doin' what your doin'
Our love will surely

Don't you know that....
