

# Dana Glover, A Reason

Two steps forward and three steps back  
And I don't know where we are  
You say it your way and I'll say it mine  
And we're lost here in the dark

Not just a matter of talking it out  
You know it don't mean nothing if there's something to hide  
And ooooh I know you know just what I'm talking about  
There's an unspoken hesitation we both really fight

Am I here, am I gone  
Tell me where I belong  
All that I need is a reason  
Am I wrong, am I right  
Are we saying goodbye  
Give me something to believe in  
Cause all that I need is a reason

It's complicated, so overrated  
We say all we need is a lie  
And my baby believe me  
I wish it was that easy  
Sometimes love just isn't any right

This indecision is wearing me down  
I can't hold on to something so undefined  
I've got to know if I was lost and then found  
This situation has got me crazy, going out of mind

Am I here, am I gone  
Tell me where I belong  
All that I need is a reason  
Am I wrong, am I right  
Are we saying goodbye  
Give me something to believe in  
Cause all that I need is a reason

If you would only just let your feelings flow  
I'd be the one who would never let you go  
And you would know and I know

All that I need, all that I need is a reason  
All I need, all I need  
yea yea yea

Am I here, am I gone  
Tell me where I belong  
You know all that I need is a reason  
Am I wrong, am I right  
Are you saying goodbye  
Give me something to believe in  
Cause all that I need all that I need is a reason

Am I here, am I gone  
Tell me where I belong  
All that I need is a reason  
Am I wrong, am I right  
Are you saying goodbye  
Give me something  
whoa whoa whoa whoa whoa whoa...  
All that I need  
yea yea now  
All that I need, all that I need  
Cause all that I need is a reason
