

# Dana Glover, It Is You (I Have Loved)

There is something that I see  
In the way you look at me  
There's a smile, there's a truth  
In your eyes

What an unexpected way  
On this unexpected day  
Could it be this is where I belong  
It is you I have loved all along

There's no more mystery, it is finally clear to me  
You're the home my heart searched for so long  
And it is you I have loved all along

There were times I ran to hide  
Afraid to show the other side  
Alone in the night without you

But now I know just who you are  
And I know you hold my heart  
Finally this is where I belong  
And it is you I have loved all along

And no more mystery, it is finally clear to me  
You're the home my heart searched for so long  
It is you I have loved all along

Over and over I'm filled with emotion  
Your love, it rushes through my veins  
And I am filled with the sweetest devotion  
As I look into your perfect face

There's no more a mystery, it is finally clear to me  
You're the home my heart searched for so long  
And it is you I have loved  
It is you I have loved  
It is you I have loved all along
