

Dana Glover, River Of Love

Over joy I could cry a thousand tears
Til they'd all run dry
And in your love, I could lose track of the years
The fire intensifies
And, oh i feel your depth of devotion
Pulling me under to the depths of the ocean with you

Your love is like the river
My soul is like the sea
Open and full of waves of emotion
As your love, your love flows into me

In my life most everything will come and go
Life is a season of change
But in my life, it puts a smile on my face to know
That your love, your love, your love remains the same
Like the sunshine
You remain in my heart and my soul and my mind

Your love is like the river
My soul is like the sea
Open and full of waves of emotion
As your love, your love flows into me

Your love is like the river
My soul is like the sea
Open and full of waves of emotion
As your love, your love flows into me

Let it flow, let it flow, let it flow
(let the river flow thru me)
(let the river of love flow thru me, oh)
(let the river flow to me)

You remain like the sunshine
And you'll stay in my heart and my soul and my mind

Your love is like the river
My soul is like the sea
Open and full of waves of emotion
As your love, your love flows into me

Your love is like the river
My soul is like the sea
Open and full of waves of emotion
As your love, your love, your love
your love, your love
As your love, your love flows into me

And it soothes my soul in a time of trouble...
