

Dance Dance Revolution, Cow Girl

I'm a cow girl
Bang bababang

People say that I'm a bad girl
And I enjoy it all the time
I've been living in a sad world
And I know what's on my mind
I'm as free as a bird
And I know you tell me that I can fly
I'm not easy to herd
I got a perfect life and I'm telling you why

I'm a cow girl and I'm riding on my own
Bang bababang and I'm shooting all around
I'm a cow girl I get sent to the stars
Bang bababang and it's good to be back

I'm a cow girl and I'm riding on my own
Bang bababang and I'm shooting all around
I'm a cow girl I get sent to the stars
Bang bababang and it's good to be back
