

Dance Dance Revolution, Drifting Away

Every time I lose my self-control
It feels like I can't let you go
I'm at the point of no return

Don't ever wanna come back down
I'm up so high above the ground
This feeling I will always yearn

Drifting away
I'm flying
I'm gonna head for paradise
Nothing to say
I'm climbing
I wanna stay right here tonight

Drifting away
Drifting away

Drifting away
