

# Dance Dance Revolution, Drifting Away

Every time I lose my self-control  
It feels like I can't let you go  
I'm at the point of no return

Don't ever wanna come back down  
I'm up so high above the ground  
This feeling I will always yearn

Drifting away  
I'm flying  
I'm gonna head for paradise  
Nothing to say  
I'm climbing  
I wanna stay right here tonight

Drifting away  
Drifting away

Drifting away
