

Dance Dance Revolution, Feeling Of Love

Right now baby, here is the deal
This love that you feel, it's got to be real
I keep seeing these days going by
It's time for no more lies

But I'm so lucky to finally meet
A man who makes my heart skip a beat
I just want this feeling never to end

Maybe if you see
That no more time can pass us by
It's got to be just you and me
No more time for all these lies

It's true this feeling - Is a feeling of love
A wonderful thing, like the heavens above
Sometimes it's crazy, the way that I feel
A thing - I can't explain

I get so happy
From the smile on your face
Your twinkling eyes
It makes me so high
Try to describe it
It's a won-derful feeling of love
