Dance Dance Revolution, La Se?orita Vitual

Ooh la senorita... (I wanna kiss you all over) Ooh la senorita... Ooh la senorita... (...kiss you all over) Ooh la senorita...

Ooh la senorita... (...kiss you all over) Ooh la senorita... (I wanna kiss you all over) Ooh la senorita...

Sitting in the corner with her coffee cup Reading the newspaper, not looking up She smiles as she finds something funny there, The sunlight, shining in her hair (Ooh la senorita...)

(I wanna kiss you all over) Ooh la senorita...
Ooh la senorita...

You know she has a mind, she has an attitude She likes her space and her solitude She'll tease you or please you if she's feeling good Or burn you, like you knew she would (Ooh la senorita...)

I wanna kiss you all over... (Ooh la senorita...) Ooh la senorita...

(...wanna kiss you all over...) Ooh la senorita...

Ooh la senorita... (...kiss you all over...) Ooh la senorita...
