

Dance Dance Revolution, Speed Over Beethoven

Beethoven, Beethoven, Beethoven
Beethoven, Beethoven, Beethoven

Into the night
You make me cry
I need your love
To save my life

I need you while my piano gently weeps
Listen to Beethoven

A melody
Will set you free
You need my love
Deep in your mind

I need you while my piano gently weeps
Music is gonna save your life

Into the night (Into the night)
You make me cry (You make me cry)
I need your love (I need your love)
