

Dance Dance Revolution, The Wistle Song

Blow my whistle baby
Blow my whistle baby

Open up and put it in

Let's begin

Blow it like you mean it, blow

Let me hear ya say (woo-woo)

Louder (woo-woo)

Let me hear ya say (woo-woo)

Louder (woo-woo)

Is that what you call loud?

C'mon, let me hear ya say (woo-woo)

Let me hear ya say (woo-woo)

Louder (woo-woo)

I said louder!

You need to bring the beat back

Blow my whistle baby
