

# Dance Gavin Dance, Alex English

Stop! The first one to hit the cop wins  
His death was so obvious  
Make up the things that you did  
I hid in bushes, I was tripping on thizz  
Description, of no sir you can't ignore  
The lights they are blinding, and you man are such a bore  
Please smash the target, please smash the target, please smash the target, right where the heart s  
Whoever said we had to stop this from happening? my plans changed abruptly and you chose to fl  
And I'll only survive in this life...  
I got that necklace, I got that watch  
I copped that blow torch, off your front porch  
I'll only survive if it's you by my side... and I'll only survive in this life...  
I got that bottle of jack, I got five on that sack  
If this fails then I'll bail you out of jail  
T's so obvious you're constantly blocking me from rational thinking

Maybe I look good in leather  
In my bed I pluck your feathers  
We should fucking be together  
Now look alive and say you've gotta go

Well don't it feel good? you got what you paid for  
Maybe I look good in leather  
In my bed I pluck your feathers  
We should fucking be together  
Now look alive and say you've gotta go

Brace me honey I need friction, if I slur my words correct my diction, it's not always fact or fiction, I  
Period colon grammar arsenal, I think we need some brand new barstools, A new decor, oh man th  
The night was innocent  
But she'll never believe  
That I was alone  
The night was innocent!!!!!!!  
Reciting words I never meant to write  
You want a piece of my mind that's fine that's fine that's fine, You want a piece of my mind, that's fi

Just keep your arms around me,  
And I won't let your body touch...  
I won't let it touch the ground  
Just keep your eyes on me,  
And let me be your gravity  
Until you can, can sleep sound  
Until you can, can sleep sound (2x)  
(Your right I am addicted  
The point I guess I missed it  
It's not your fault, but I'll blame it on anything, but myself)
