

# Dance Gavin Dance, The Backwards Pumpkin Song

Sit down, call off the cavalry  
I'm stealing the jewels  
In a slow motion action replay  
Bar fight, I invented chivalry  
Notch in my bed post  
Slow motion action replay.

Sit down, call off the cavalry  
I'm stealing the jewels  
In a slow motion action replay  
Bar fight, I invented chivalry  
Notch in my bed post  
Slow motion action replay.

Now the fog is rolling in  
Bringing us that much closer to a senseless end  
Oh please don't get up  
I'll get that for you.  
It's selfish to say I'll believe when  
I believe all these lies  
It's been long enough

Don't just lay on the ground, son  
Don't just drown in the fountain  
And I don't know you, I don't know you  
You got stuck preaching action  
I fell down using tact, son  
And I don't know you, I don't know you

Don't just lay on the ground, son  
Don't just drown in the fountain  
And I don't know you, I don't know you  
You got stuck preaching action  
I fell down using tact, son  
And I don't know you, I don't know you

Bring back this fight tonight  
For all of these lies that I uphold (Don't mind them they can't elope)  
For one good note (Leave them off of the great boat)  
Bring back this fight tonight  
For all of these lies that I uphold (Don't mind them they can't elope)  
For one false hope (Leave them off of the great boat)  
One false hope

Go on and fix your tie  
And just lead the line out  
Needless to say  
I stumble, you play  
All night long

Fix your tie and just lead the line out, needless to say  
Fix your tie and just lead the line out, needless to say  
Fix your tie and just lead the line out, needless to say  
Fix your tie and just lead the line out, needless to say  
Fix your tie and just lead the line out, needless to say  
Fix your tie and just lead the line out, needless to say  
Fix your tie and just lead the line out, needless to say  
Fix your tie and just lead the line out, needless to say

Bring back this fight tonight  
For all of these lies that I uphold (Don't mind them they can't elope)  
For one good note (Leave them off of the great boat)  
Bring back this fight tonight  
For all of these lies that I uphold (Don't mind them they can't elope)

For one false hope (Leave them off of the great boat)

Now you'll find, as I rewind, now you'll find it's not the point  
Now you'll find, as I rewind, now you'll find it's not the point  
Now you'll find, as I rewind, now you'll find it's not the point  
Now you'll find, as I rewind, now you'll find it's not the point
