

Dance Hall Crashers, My Problem

Never thought of leaving you today
never thought i'd ever feel this way
but now i'm gone and you are alone
hope you're not waiting by the phone
I am never coming back
not because of anything you lack
believe me there's nothing that you can do
the problems with me and not with you

You've been there for me each and every time
trust me it's not your problem it is mine
i'm sorry i don't know what's going through my head
i didn't mean for you to be miss lead

For some reason i don't know
it doesn't feel right so i have to go
don't let it hurt your self-esteem
you'll be some girls ever lasting dream
it has nothing to do with you
please trust me for i'm being true
i'm sorry for the pain it will bring
it's just another dumb girl thing

you've been there for me each and every time
trust me it's not your problem it is mine
i'm sorry i don't know what's going through my head
i didn't mean for you to be miss led
