

Dance Hall Crashers, Queen For A Day

It's never gonna work out
Quite the way that they plan
Their little greasy games
They'll drop you just as soon as they can pick you up
It might be fun for a while
What happens tomorrow?

I don't wanna be no queen for a day
Oh, I got what you want and I may just walk away
I don't wanna be no queen for a day
I just gotta get away

Wonder why they think about
What they can get from me
I guess I'll let them believe
Whatever it is they want to see
I know it's sick
I hope it's only paranoia

I don't wanna be no queen for a day
Oh, I got what you want and I may just walk away
I don't wanna be no queen for a day
I just gotta get away
Gotta get away

Admit it's not all bad
It's almost like a real cheap high
Till you get knocked on your ass
Thinking you can fly
Suppose it's something that you
learn before you die.

I don't wanna be no queen for a day
Oh, I got what you want and I may just walk away
I don't wanna be no queen for a day
I just gotta get away
Gotta get away
