

Dance Hall Crashers, The Real You

I smile at you at the show,
Bullshit along with your niceties.
Then I sit back and watch you go
Suck up to people you want to be.
Ooo, but I've got it
Ooo, that you're not it
Ooo, and it's just a matter of time
Before one by one
Your friends fully discover...

The real you (x3)

I gotta say you're good at what you do -
Charming first impressions,
But you're not keeping everyone fooled
Beware of their suspicions
Ooo, cause they'll get it
Ooo, that you're not it
Ooo, and it's just a matter of time
Before one by one
Your friends
Fully discover...

The real you (x6)

Ooo, but they'll get it
Ooo, that you're not it
Ooo, it's just a matter of time
Before one by one
Your friends
Fully discover...
