

Dance Nation, Ridin' High

Oh lady, I gotta give my love to you
Oh lady, your love is all I ever knew

You are incredible, natural
You are like a dream
So magical, mystical
Everything I need
Beautiful, natural
Everything I feel is real, lady

I'm riding high on sunshine, high on happiness
High, I'm loving you
I'm riding high on sunshine, high on happiness
High, I'm loving you

Riding on sunshines

Oh lady, the only one I ever knew
Is you baby, we are gonna make it trough

You are incredible, natural
You are like a dream
So magical, mystical
Everything I need
Beautiful, natural
Everything I feel is real, lady

I'm riding high on sunshine, high on happiness
High, I'm loving you
I'm riding high on sunshine, high on happiness
High, I'm loving you

Riding on sunshines
