

Dandy Boy, Horny As A Dandy

(HE:)

Getting blown in a car
was the saddest day of my life
Sex is a strange strange thing

(ME:)

Will everything in life be
such a dissapointment?
Don't wanna figure it out
with you

(SHE:)

Giving head in his car
was the hottest day of my life
Sex is a dirty thing

(ME:)

Will everything in life feel
like sobering up?
Don't wanna figure it out
with you

I still have difficulties
looking you in the eyes
I've noticed something changed
that night
Insecurity is our biggest enemy,
and these high expectations
bring me down.
