

Dandy Boy, Mermaid

She had everything of a mermaid
she was thin and smelled like fish!
still I'm attracted to you, like Ishmael to the sea
a feeling if possible, we'd put into boxes for later
a fingertip on our tongue every time life gets hard
and if we'd use it, would there be any left?

Every time I see you, I die a little inside
It doesn't even matter how much I tried for you

My thoughts fly like boomerangs and they hit me
on the head
oh I'm a lost man, she can do with me
whatever she wants
Pretty words won't cover up my ugly actions
so I'll be quiet - no heartbeat beats like back then..

Every time I see you, I die a little
It doesn't even matter how much I tried for you

Every time I see you I die a little well I die a little
It doesn't even matter how much I tried
cos atleast I tried
