

Dane Bowers, Shut Up Forget About It

Shut baby, forget about it
Shagging many guys as you can
You ain't nothing but a fake breasted slut
Man after man after man after man

Hope your silicone bursts
You'll never get signed
But I feel sorry for you
'Cause your baby is blind

Do you need some Liquid
Course I know Jordan is your fake name
If so wash 'cause your a dirty woman
Celebrity status is your game
