

Dane Cook, Slip 'N' Bleed

We never had a pool, right. So one summer, I remember.
My dad, to make me happy. You know I was bummed out cause
we didn't have the pool. So one summer he bought us this thing.
It was yellow, you layed it on the lawn, sprayed it with the water,
run across. Slip n' Slide. Yeah. Would of been fun if dad checked for
rocks before he layed it down! Slip n' Bleed from the aaaaanus they
shoul da called this ride. I was like watch this Ma!

slide *scream* NOOO! *scream*
