

Danger To The System, Billy

the bill of rights! the bill of rights!
the bill of rights is bullshit!!!

its nothing but a bunch of lies!
so won't you realize!
that it's all just fucking shit!
and I can't take any of it ahh!

[Chorus]

you just might end up dead!
just for something you said!
i know it aint right!
but we got no fucking rights!

[Chorus]
