

# Danger To The System, Not In Our Name

you do this in the name of amerika  
well then I'm not amerika  
you do this in the name of patriots  
well I'm not patriots....no

not in our name not in our name  
i won't play their game,  
you can do the same  
or you'll be the one to blame  
for the bombs that fall like rain! woah

don't tell me that I don't love my country  
when all I really want is peace  
but if a patriot is someone who'll fight for you, then no I'm no patriot...no

[Chorus]

raise your fist we must resist!  
raise your fist don't enlist!!!!  
woah

[Chorus]
