

Dangerous Muse, All Yours (The Doctor)

Say ah....
wah-dah-dah-ah!
Say ah....

Does it hurt when I push here? (Say Ah)
No?

Now come
I can make you last forever
Pick you up for undue weather
Gonna feel-Gonna feel
You're gonna feel better
Sing it well tonight
And I'm all yours

Say Ah

If you can't come,
Don't worry (Say Ah)
I make house calls
Package deliveries

I can make you last forever (Forever)
Pick you up from undue weather (Weather)

Gonna feel-Gonna feel
You're gonna feel better (Better)
Sing it well tonight and I'm all yours (I'm a Doctor)

(Is there a doctor in the house?)

(Yeah!)

(Yeah!)

(Yeah!)

Yeah!

I can make you last forever (Forever)
Pick you up from undue weather (Weather)
Gonna feel-Gonna feel
You're gonna feel better (Better)
Sing it well tonight,
and I'm all yours

AlIIIIIIII weather
AlIIIIIIII weather
AlIIIIIIII better
Sing it well tonight
AlIIIIIIII.....

And I'm all yours
