

# Dani, Love Is True

Love is true when I am with you  
never a word to say never a word to leave.  
My whole world is blue when I am not with you.  
I love you with all of my heart.  
My love for you is the whole, wide world.

I will honour you  
I will stand by you  
I will never astray  
I hope you feel the same way.

Chorus

I remember when we first met

you were my heart  
things have changed from there now  
you're my one and only  
I hope you feel the same way

Chorus

I hope this lasts forever  
I love the way  
I feel about you  
I hope you feel the same way

Chorus
