

# Daniel Bedingfield, Gotta Get Thru This (Acoustic)

When your love is pouring like the rain  
I close my eyes and its gone again  
When will I get the chance to say I love you?  
I pretend that you're already mine  
That my heart ain't breaking every time  
I look into your eyes

If only I can get through this  
If only I can get through this  
If only I can get through this  
God, God, gotta help me get through this

I gotta get through this  
I gotta get through this  
I gotta make, gotta make, gotta make it through  
Said I'm gonna get through this  
I'm gonna get through this  
I gotta take, gotta take my mind off of you

Give me just a second and I'll be all right  
Surely one more moment couldn't break my heart?  
Give me till tomorrow and I'll be okay  
Just another day and then I'll hold you tight

When your love is pouring like the rain  
I close my eyes and its gone again  
When will I get the chance to say I love you?  
I pretend that you're already mine  
That my heart ain't breaking every time  
I look into your eyes

If only I can get through this  
If only I can get through this  
If only I can get through this  
God, God, gotta help me get through this

I gotta get through this  
I gotta get through this  
I gotta make, gotta make, gotta make it through  
Said I'm gonna get through this  
I'm gonna get through this  
I gotta take, gotta take my mind off of you

Give me just a second and I'll be all right  
Surely one more moment couldn't break my heart?  
Give me till tomorrow and I'll be okay  
Just another day and then I'll hold you tight

When your love is pouring like the rain  
I close my eyes and its gone again  
When will I get the chance to say I love you?  
I pretend that you're already mine  
That my heart ain't breaking every time  
I look into your eyes

If only I can get through this (Ohhh Ohh)  
If only I can get through this (Mmm Mm Mmm)  
If only I can get through this  
God, God, gotta help me get through this

I gotta get through this, I gotta get through this  
I gotta make, gotta make, gotta make it through
