

# Daniel Bedingfield, Never Gonna Leave Your Side

I feel like a song without the words  
A man without a soul  
A bird without it's wings  
A heart without a home  
I feel like a knight without a sword  
The sky without the sun  
'Cause you are the one

I feel like a ship beneath the waves  
A child that lost it's way  
A door without a key  
A face without a name  
I feel like a breath without the air  
And every day's the same  
Since you've gone away

I gotta have a reason to wake up in the morning  
You used to be the one that put a smile on my face  
There are no words that could describe how I miss you  
And I miss you everyday  
Yeah

And I'm never gonna leave your side  
And I'm never gonna leave your side again  
Still holding on girl  
I won't let you go  
'Cause when I'm lying in your arms  
I know I'm home

They tell me that a man can lose his mind  
Living in the pain  
The call in times gone by  
The crying in the rain  
You know I've wasted half the time  
And I'm on my knees again  
Till you come to me  
Yeah

I gotta have a reason to wake up in the morning  
You used to be the one that put a smile on my face  
There are no words that could describe how I miss you  
And I miss you everyday  
Yeah

And I'm never gonna leave your side  
And I'm never gonna leave your side again  
Still holding on girl  
I won't let you go  
I lay my head against your heart  
I know I'm home  
I know I'm home  
I know I'm home

And I'm never gonna leave your side  
And I'm never gonna leave your side again  
Still holding on girl  
I won't let you go  
'Cause when I'm lying in your arms  
I know I'm home
