

Daniel Bovie & Roy Rox ft. Nelson, Love Me

If you claim that you love me
Why don't you just show it to me you love me baby?
I'm not some guy on the side,
I need you to touch me baby
There's no shame, in loving one an other babe
I see certain insecurities
but it's alright
I hope you know i won't rest till i get what i want, my babe
Not a minute goes by without you on my mind, my babe
There's no shame, in loving one an other babe (haven't you heard)
I see certain insecurities
but it's alright

If you claim that you love me,
Why don't you just show it to me you love me baby?
I'm not some guy on the side,
I need you to touch me baby
There's no shame, in loving one an other babe
I see certain insecurities
but it's alright - but it's alright -but it's alright

Now I see that you want me
and the truth is that it's turning me on my babe
So when I make my move
Don't you tell me to stop my baby
there's no shame in loving one an other babe
And I see, certain insecurities
but it's alright
If you claim that you love me
Why don't you just show it to me you love me baby?
I'm not some guy on the side,
I need you to touch me baby
There's no shame, in loving one an other babe
I see certain insecurities
but it's alright - but it's alright -but it's alright
