Daniel Cage, Sleepwalking

Maybe i'm wrong, but it feels like I'm right
The days are to long and i have to sleep tonight
where all the words that batter me are turning into lies
and all the hands that hold me fade into the sky

Chorus
I want to dream, I want to see
I'm sleepwalking away with you tonight
I'm sleepwalking because it's better than real life
I don't want to stop it and I don't know what it means
But its me and its you can't you see

The crowds have all gone and the night is sinking low
theres a place in your heart you still won't let me go
If all the world is spinning and you're almost gone
Could you stop it for a minute, just to let me on

Chorus

And if its the world i see tonight, Crowded only by daylight
Tomorrow's the dayI'll make it right

I'm sleepwalking away with you tonight
I'm sleepwalking because it's better than real life
I don't want to stop it and I don't know what it means
But its me and its you can't you see
I'm sleepwalking sleepwalking
